

**BROCHURE FOR THE PROPOSED
PTA VOCATIONAL TRAINING AND
ENTREPRENEURSHIP DEVELOPMENT
(PTAVTED) CENTRE**

THE PTA, FGGC OYO

1.0 PREAMBLE

Federal Government Girls College Oyo was established in 1974 with a view to train and develop the girl child to contribute effectively to national development and assist to bridge the gender gap in access to education. In its 47 years, FGGC Oyo has effectively carried out this mandate. It has trained over 50,000 girls some of whom are now leading and driving development both in Nigeria and in the diaspora. However, there is a need to align this mandate with key United Nations' 17 Sustainable Development Goals (SDGs) launched in 2015 (from the previous 8 Millennium Development Goals, MDGs). In order to continue to give qualitative and more effective education in line with National and global aspirations, the Parent Teacher Association of the College in collaboration with the College Management is establishing a Vocational Training and Entrepreneurship Development Centre (PTAVTED) (the CENTRE)

The intention of the PTA is to assist in expanding the capacity of the College to provide more entrepreneurship competences for the students. Thus, this proposal highlights key needs for establishing the CENTRE. It covers proposed modalities for commencement and management of the CENTRE including its goals, target beneficiaries, key partners, and funding. It also covers important dates and timeline for key activities in the project that will empower young people in Oyo with the opportunities for meaningful participation in society.

2.0 INTRODUCTION

It is important to note from the outset that FGGC Oyo's mandate aligns with both global and National aspirations. The establishment of this proposed CENTRE will address three key UN's SDGs that are particularly relevant to education and FGGC Oyo's mandate. These are SDGs 4, 5 and 8. SDG 4 seeks to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all, SDG 5 seeks to achieve gender equality and empower all women and girls while SDG 8 seeks to promote sustained, inclusive, and sustainable economic growth, full and productive employment and decent work for all. It will also address the National Technical and Science Education Policy 2018 and three key SDGs. And happily, the Management of the College has the vision to achieve the empowerment of the students at the College and the PTA FGGC Oyo is determined to work with the Management through this proposed CENTRE to further position the college to deliver on its mandates. These connections are shown in Figure 1 below.

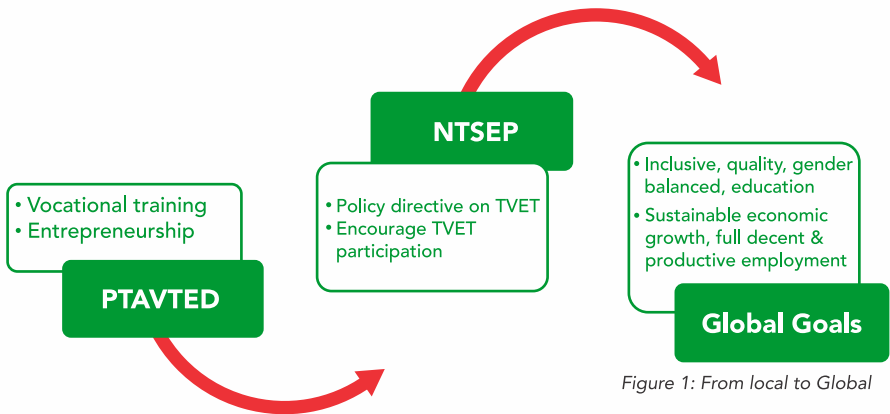

Figure 1: From local to Global

3.0 MANAGEMENT OF THE CENTRE

The PTA FGGC Oyo Vocational Training and Entrepreneurship Development (PTAIVED) CENTRE will be managed by the FGGC Oyo School management. The PTA will collaborate and provide needed resources for the running of the CENTRE.

4.0 SETTING OUT

The CENTRE will also initially take off with two trades. These are

- i. Garment making
- ii. Photography

5.0 GOALS OF ESTABLISHMENT OF THE CENTRE

The CENTRE aims at providing facilities for qualitative Technical and Vocational training for our girls to achieve the goals highlighted above and as spelt out in the National Technical and Science Education Policy 2018 (page 13)

Specifically, the immediate goals of establishment of the CENTRE is to prepare our students for WASCE and NECO examination in desired trades.

In the long term, the CENTRE will pursue

- i. Establishment of a Centre of Excellence for the South-West in female TVET training.
- ii. Becoming a centre for the examination of identified trades by WAEC and NECO.
- iii. Providing short term training for girls in the wider Oyo community in innovative vocations such as online content production etc.

6.0 TARGET BENEFICIARIES

The CENTRE seeks to train young girls in Trade and entrepreneurial studies, however it shall focus on the following

- i. Students of FGGC Oyo

7.0 PROJECT COMMENCEMENT:

The PTA hopes to commence the CENTRE with two Trade subjects i.e. Garment making and Photography by the beginning of 2022/23 Academic session i.e. September 2022 after securing the approval of the Federal Ministry Education with the support of the Director Principal.

8.0 PROJECT METHODOLOGY

After obtaining approval, the PTA will endeavour to

- i. Commence fund raising drive for the project
- ii. Start the foundation laying of the one-story Multi-purpose facility for the CENTRE.
- iii. Start the procurement of the basic equipment required for the training.
- iv. Commence the process of employing the necessary staff for the centre

This one-story Multi-purpose building will have

- i. Three (3) Multipurpose digital classes
- ii. Six (6) workshops
- iii. Offices.

9.0 TIMELINES

After approval, the PTA will be guide by the timeline below

S/No	Event	Duration	Remark
	Commence fund raising drive for the project	2months	
	Start the foundation laying of the one-story Multi-purpose facility for the CENTRE.	10 months	Concurrently
	Start the procurement of the basic equipment required for the training.		
	Commence the process of employing the necessary staff for the centre		

10. PARTNERSHIP

The PTA will partner with the following organizations on this project

- i. Technology and Science Education department, Federal Ministry of Education
- ii. Federal Ministry of Women affairs
- iii. The Office of the Senior Special Assistant to the President on SDGs
- iv. The Nigerian Media (Nigerian Television Authority, Channels TV, MITV, Radio Nigeria, newspaper producers)

11. FINANCE AND FUNDING

The total estimated cost for the project is ONE HUNDRED AND FIFTY MILLION NAIRA (N150,000,000) only. The PTA levy will continue to be deployed as usual. However, the project will be sponsored mainly through voluntary donations from Corporate sponsors and donations from well spirited individuals. No additional PTA levy will be charged to parents for the project.

12. CONCLUSION

The motivation for initiating the PTA FGGC Oyo Vocational Training and Entrepreneurship Development (PTAVTED) CENTRE is basically to work with the Management of the College and all stakeholders to achieve the all-round development of the students of FGGC Oyo and the girls in the wider Oyo community. The establishment of the CENTRE will present our students and young people in Oyo with the opportunities to acquire knowledge, skill, and training for sustainable economic growth, full decent, productive employment, and meaningful participation in society.
